Bone Drop Winners Share a Big Win

When Animal Harbor Vice-President Cecelia Brodioi placed a call to Lucy Hill and told her that she and Rhonda Tawwater had won the \$5,000 Bone Drop prize, they couldn't believe it. The two friends who had shared the cost of a ticket were on a shopping trip to Huntsville, and were so excited that they turned right around and headed back to Winchester. All of us at Animal Harbor want to thank each and every one of you who bought a ticket. Taking a chance on the Bone Drop means that many more animals will have a chance at a good life in a loving home.

Below are Rhonda Tawwater, left, and Lucy Hill, right. With them are Susan Rupert, Animal Harbor President, second from left, and Cecelia Brodioi, Vice President, third from left.

Winning Names Revealed

Recently an anonymous artist painted two large "barn quilts" featuring a dog and a cat to stand guard in the flower garden. The naming contest has produced a winner: Ryan Brock. **"T-Bone"** and **"Biscuit"** have been christened as Animal Harbor's official mascots, because all dogs love a juicy bone, and every proper Southern cat knows how to "make biscuits." Stop by soon to relax in the garden and visit our adoptable animals.

Meet Sweet Anne - She Needs Your Help

Anne is a small Shetland Sheepdog mix who was found wandering alone and brought to Animal Harbor hot, tired, and thirsty, with a bedraggled coat and fly-infested ears. She seemed surprised by the bowl of cool water, dog treats, and affection from the staff, all the while sitting so still that she appeared to fear that if she moved, all of this kind attention might evaporate.

Anne is a perfect lady and a Cinderella figure if there ever was one. Now cleaned up and fed regularly, she is blossoming. The sad news is that Anne has heartworms. Her course of treatment is worth every penny. We at Animal Harbor hope that you will donate to Anne's treatment fund. Any

money not needed for her care will be saved to use for future heartworm cases. Dogs like Anne deserve a second chance. If you agree, help her by sending a donation to Animal Harbor, P.O. Box 187, Winchester, TN, 37398 earmarked "Anne," or donate through our website by clicking the donate button and designating the amount "in honor of Anne." Saving one animal won't change the world, but it WILL change the world for that one animal.
